

**Read the text and answer the questions below.**

Sophie loved animals and dreamed of becoming a veterinarian. One summer, she volunteered at a local animal shelter. Every day after school, she helped feed the cats and dogs, cleaned their cages, and played with them to keep them happy. Sophie's favorite animal at the shelter was a small, brown puppy named Max. Max had been abandoned, and Sophie made it her mission to find him a loving home. She created colorful posters with Max's picture and hung them around town. After a few weeks, a kind family visited the shelter and decided to adopt Max. Sophie was overjoyed to see Max go to a good home and felt even more inspired to pursue her dream of helping animals.

1. What was Sophie's dream job?
2. Where did Sophie volunteer during the summer?
3. What were some of the tasks Sophie did at the animal shelter?
4. Who was Sophie's favorite animal at the shelter, and why?
5. How did Sophie help Max find a new home?
