**“Somebody that I used to know” by Gotye**

Now and then I think of when we 1._____ (be) together

Like when you 2._____ (say) you 3._____ (feel) so happy you 4. _____ (can) die

5. _____ (tell) myself that you 6. _____ (be) right for me

But 7._____ (feel) so lonely in your company

But that 8._____ (be) love, and it's an ache I still remember

You can get addicted to a certain kind of sadness

Like resignation to the end, always the end

So when we were 9. _____ (find) that we 10. _____ (can) not make sense

Well, you 11._____ (say) that we would still be friends

But I'll admit that I 12. _____ (be) glad it was over

But you **didn't have** to cut me off

Make out like it never 13. _____ (happen) and that we 14._____ (be) nothin'

And I don't even need your love

But you treat me like a stranger, and that feels so rough

No, you **didn't have** to stoop so low

Have your friends collect your records and then change your number

I guess that I don't need that, though

Now you're just somebody that I used to know (x3)

Now and then I think of all the times you 15._____ (screw) me over

But 16._____ (have) me believin' it 17._____ (be) always somethin' that I'd done

And I don't wanna live that way, readin' into every word you say

You 18._____ (say) that you 19. _____ (can) let it go

And I wouldn't catch you 20._____ (hang) up on somebody that you 21. _____ (use) to know

But you **didn't have** to cut me off

Make out like it never 22._____ (happen) and that we 23._____ (be) nothin'

And I don't even need your love

But you treat me like a stranger, and that feels so rough
