

2) Progress and aims

A Making progress

Felipe
from Argentina

When I started learning English, I was very **keen** and **motivated**, but I found it **difficult** to pronounce English words, and sometimes people couldn't understand me. After a while my pronunciation got **better**, and I was able to **express** basic ideas quite **effectively**. It was **obvious** that I was **improving**, and that was very **encouraging**. But at intermediate level, my progress **slowed down**. There were so many new words and phrases I didn't know. I think I was also more **aware** of my mistakes, which was good – but also **frustrating**.
