## Ups and Downs

Detour - обїзд, mesmerized - загіпнотизований, overthrow - провалити, eventually - в кінці кінців, Surrounded - оточений, precious - дорогоцїнний, hardly - навряд чи, carriage - карета, Ups and downs - взльоти і падїння, glows - рукавиці.

The darkness hits the earth by the morning sun  
 The light is beautiful and I'm \_\_\_\_\_ by it  
 But soon I can't open my eyes  
 But \_\_\_\_\_, I get used to it

\_\_\_\_\_ by \_\_\_\_\_ things  
 The heart turns into stone

\_\_\_\_\_ the stuff of bedtime story  
 Happy ending in just a sad short  
 Life is a journey not a destination  
 Enjoy the ride with \_\_\_\_\_

My friend enjoyed \_\_\_\_\_ through the plains  
 Holding a platinum knife with soft fire glows  
 But his eyes did not shine  
 What did he see that he can hardly

Surrounded by precious things  
 My heart turns into stone

Hardly the stuff of bedtime story  
 Happy ending in just a sad short detour  
 Life is a journey not a destination  
 Enjoy the ride with ups and downs

Hardly the stuff of bedtime story  
 Sometimes you have to play supporting role  
 But what matter is that your eyes shine  
 In the moment

Hardly the stuff of bedtime story  
 Happy ending in just a sad short detour  
 Life is a journey not a destination  
 Enjoy the ride with ups and downs

Zing mee! Evgenia 😊
