DAILY Warm-Up 2

Name _____ Date _____

MUSIC

Do you like music? Do you like to hear songs? Have you heard of the iPod®? An iPod is a kind of PMP. That means portable media player.

PMPs can be very small. PMPs can hold a lot of songs. They keep the songs inside. You can listen for a long time. You could hear music all day. They will just keep playing and playing. You can choose the songs you want to hear. Some PMPs can do more things. They can hold pictures and videos.

PMPs are always changing. Some of them are very strong. If you drop them, they will still be okay.
