From old news to new media

She said that, that day, we lived in an era of new media. She told us people _____ the news at any time from any place on all kinds of digital devices. She said journalists _____ articles online and they _____ instantly by people from all over the world. The woman said journalism _____ a lot since the first days of the newspaper and most of these changes had been caused by the developments in technology. She said there _____ no better place to discover that than Washington D.C., home of the Newseum. She told us that the Newseum _____ lots of exhibitions about the history of the media and that there _____ over 3.000 newspapers there.
