Cuzco, Peru

Hi everyone!

I'm staying in the amazing city of Cuzco, Peru. Here are some things you should do while you are here.

First of all, you should visit the city's cathedral located on the main square. The cathedral is home to the famous *Last Supper* painting by Marcos Zapata, so don't forget to see that!

After that, walk two blocks as far as the chocolate museum. Here you can eat, drink, and even make chocolate! You should also spend some time in the 'Inka' museum, which leads you through the city's amazing Inca history.

Cuzco's shopping areas are great, too, especially the San Blas neighbourhood. You should walk around there and buy one of the city's famous alpaca jumpers.

You shouldn't leave without a trip to Machu Picchu, the ancient Inca city. However, it gets very busy from June to September, so you shouldn't go at that time.

Cuzco is a fantastic city – don't miss it!
