Tom: Hi Sarah! How was your **weekend**?

Sarah: Hi Tom! It was great, thanks! How about yours?

Tom: Not bad. I visited my parents **Saturday** and relaxed at home Sunday. What did you do on Saturday?

Sarah: **Saturday**, I went shopping with my friends. We had lunch at a new restaurant in town. And **Sunday**, I watched a movie at home. What about you **Sunday**?

Tom: I played soccer with some friends in the morning, and in the afternoon, I just stayed home and read a book. What are you doing this week?

Sarah: Well, I have English class on Tuesday and Thursday. **Wednesday**, I have a dentist appointment in the morning, so I'll be busy. How about you?

Tom: I have a meeting at work on Wednesday, and then **Friday**, I'm going out for dinner with some colleagues. Do you have any plans for Friday?

Sarah: Yes, I'm meeting my cousin for coffee in the afternoon, but I'm free in the evening. Maybe we can do something together?

Tom: That sounds like a great idea! Let's plan something for Friday evening then.

Sarah: Perfect! I'll see you on Friday then.
