

**RETELL FREDDY'S STORY IN REPORTED SPEECH BY FILLING IN THE BLANKS WITH THE CORRECT FORM OF THE VERBS.**

Freddy said, "Last weekend, I visited the *Cocora Valley* in Colombia. Have you been there? Because I had actually never been there before. I had planned to visit my friend there, but he was out of town for work. So, I visited the *valley* alone. I saw many wonders. I hiked through the magnificent green landscape. The wax palm trees are incredibly tall, some reaching up to 200 feet!"

Then, I took a guided tour to learn more about the biodiversity of the area. I saw many exotic birds and plants. It was amazing! I also visited the *Acaime Reserve*. It is so peaceful and serene! I will definitely visit it again in the future.

On my last day, I spent time in the town of *Salento*. I was eating a traditional Colombian dinner, when I understood that there is one more destination I must visit. So I took a tour of a local coffee farm. My coffee was delicious and freshly brewed. I learned a lot about the coffee-making process. My guide said, '*A true traveler's journey is never complete.*' That is true because I am already planning my next journey! Would you like to come with me?"
