The Spencer sisters

One of the sisters and her friend wanted to go to a football match in London. It was a Premier League match between Chelsea and Arsenal at Stamford Bridge. They called a taxi to take them to London and back. The taxi arrived and the driver typed Stamford Bridge into his satnav. The girls relaxed in the back of the car. They probably chatted, listened to music on their iPods, and texted their friends. They didn't talk to the taxi driver.

Two hours later the taxi stopped. They looked out of the window. It was a street with pretty houses.

1. Read this short description of a residential house.

Summary

My flat is in a quiet street in a residential area of Budapest. It's on the third floor. There are two bedrooms, a living room, a bathroom, and a light, pretty kitchen. One bedroom is big, and one is a study with a sofa bed. The kitchen is small, but there's a table and chairs, so you can eat there. There's a great view from the balcony – you can see the city lights in the evening and the sunrise in the morning. There isn't a garden, but the flat is very near a beautiful park, and Gellert Hill is also quite near. The flat is a 15-minute walk from Buda Castle and only five stops by bus from the historic city centre.

2. Write a short description of your own house. Mention the number of rooms, the furniture, the facilities, etc. Write 50-80 words
