Planning for the Future: Post-College Plans

Logan: What are you going to do after you finish college?

Emily: I'm **thinking** of doing some volunteer work before getting a job.

Logan: Like what?

Emily: For example, volunteering abroad.

Logan: You mean like **teaching** English abroad? A friend of mine taught in the Ukraine, and he loved it.

Emily: I'd **rather go** to a developing country in Africa. I'm **considering** conservation work such as with World Wildlife Foundation. It'll be challenging and rewarding. How about you?

Logan: I **wish I knew**. I really have no plans. What can I do with a communications degree? It's either radio or TV. And it's really hard to get jobs in those fields.

Emily: Why don't you try either public relations or advertising? Both involve a great deal of writing.

Logan: I'll probably go for that. Why don't you try either public relations or advertising? Both involve a great deal of writing, and you like writing.
