Our Hobbies

Greg

I think a lot of people would say that my hobby is quite unusual these days. I collect stamps from all over the world. My hobby started many years ago when my uncle worked in many different countries. He sent letters and postcards to us with beautiful stamps on them. Also, my grandfather collects stamps and he helps me to make my collection bigger. I learn a lot about different countries because of my stamp collection and it has made me really good at geography. Actually, I am top of my geography class.

I only started gardening as a hobby a few months ago. I was watching a TV programme about a family that grow all their own fruit and vegetables and I thought it was a really good idea. I am really good at growing things. This month we have lots of salad vegetables and strawberries. Actually, we have too much food so I sell some of it to our neighbours. I am saving the money to buy some beautiful flowers for our garden. Sometimes gardening is really hard work but that's a good thing because it means that I don't need to go to the gym.

My hobby is snowboarding. I started snowboarding when I was very young. We were on holiday in Switzerland but I didn't like skiing with the rest of my family. I tried snowboarding instead and loved it. The big problem is that there isn't much snow where I live so I have to travel a lot and that is very expensive. My parents said I need to save my own money if I want to go snowboarding often, so I think I am going to find a new hobby very soon. But I am a bit sad about that.
