Ket A2 Succeed - Test 1 - Part 3 - Question 14-18.

For each question, choose the correct answer.

My life as an actor by Tanya Robinson

My mother is an actor and my father is a musician. When I was sixteen, I started to work as an ice-cream seller in our local theatre but I always wanted to be an actor. But neither of my parents wanted me to act. They wanted me to go to university and get a job that pays lots of money.

When I started primary school, my school didn't teach drama. My mother didn't have time to teach me and she said that I couldn't have lessons at a drama school for children. What she didn't know was that one of my friends had a drama teacher come to her house and her parents let me do the lessons with her.

When I went to secondary school my drama teacher, Mrs Burton, said: "I have never seen such a good actor at your age. You could be famous one day." It was the first time someone made me believe that I could do what I wanted to do.

After secondary school I went to drama school. My parents were still not happy with my decision. My father said: "In the future you will wish that you had listened to us." This made me feel very sad as I wanted my parents to be happy for me. I almost changed my mind but I knew acting was the right thing for me to do. Now of course I am famous. I have worked hard but I have also been lucky. Now my whole family agrees that I made all the right decisions when I was younger and my parents are very happy for me.
