Snowboarding in Switzerland

By Florian, from Lausanne

There are many beautiful mountains in Switzerland. In January and February, there's a lot of snow and people go to the mountains to do outdoor activities. Every year, my parents go skiing and my friends go snowboarding.

Have you ever been snowboarding? I think it's really cool! You only need a special board and warm clothes. I learned how to snowboard when I was young. It's not easy at first, but it's fun. You stand on your board and go down a mountain at a fast speed. Sometimes you can jump very high too, but you should be careful or you might fall.

In winter, there are snowboarding competitions for adults and children. Last year, I won a silver medal!

- 1 In winter there's a lot of snow in the _____ in Switzerland.
- 2 Florian's parents go _____.
- 3 On a board, you can move at a fast _____.
- 4 Florian won a medal in a snowboarding _____.
