

I'm an Alien

I have one big **eye**,
I don't have a **nose**,
I have three big **ears**,
And six little toes.

I have long green **hair**,
On my big head.
I have a small **mouth**,
My mouth is red.

I'm an alien. I'm a small, green alien.
I have one big eye on my **face**!
I'm an alien. I'm a small, green alien.
I come from Outer Space!
