A place of my own

Ben Radcliffe has the perfect hangout space – a wooden hut in his garden! Ben's hut is warm and comfortable inside. There's a carpet on the floor, and there are a ¹ chairs, but there aren't very ² places to sit. 'If I have a lot ³ friends here, we have to sit on the floor,' Ben says. There's electricity and heating in the hut, and Ben can also use the wifi from inside the house. 'It's great. I use my hangout hut every day,' Ben says. 'I keep ⁴ my computer games here, and I can listen to music or watch films. And what if he's noisy? 'It's impossible to be completely quiet, but I don't make ⁵ noise,' he says. 'The only problem is that there aren't ⁶ windows, so it isn't possible to see outside. But of course that also means that no one can see in!'
