

ECO-PROJECT

ADVENTURE TIME
SCHOOL

NAUKA JĘZYKA OBCEGO:
ZAJĘCIA ONLINE DLA KAŻDEGO!

Instructions:

- Name:** Think of a fun name that shows your project is about helping nature.
- Goal:** What do you want to achieve? Example: Less plastic, more trees, better recycling.
- Actions:** List three things you will do in your project. Example: Set up a recycling bin, plant trees, and have a clean-up day.
- Results:** What changes do you expect? Example: Cleaner schoolyard, more birds in the park.
- Fun Element:** Add something fun to your project. Example: A tree-planting party, a recycled art show.

3) Actions:

Task: Design an Eco-Project

Objective: Create a simple plan to improve your local environment.

1) Name:

2) Goal:

4) Results:

5) Fun element:
