Kuranda Train and Skyrail, Australia
by Ido, 4th July

This is a great day trip. Take the train through the mountains and come back by Skyrail. The train trip was beautiful – we went past ¹ a lot of waterfalls and through ² tunnels! We wanted to see the traditional markets at Kuranda, but there weren't ³ good shops – just shops selling tourist souvenirs – so you won't need ⁴ money. ⁵ hours in town should be enough for most people. You can visit the **Butterfly** Sanctuary – if you want to – but there are ⁶ butterflies flying around you for free! You don't need ⁷ time to get to the Skyrail. Skyrail is a cable car that travels only ⁸ metres above the top of the rainforest. Unfortunately we only had ⁹ time. I wanted to stay all day!
