Vocabulary Ex. > Team & Individual Sports

A. Look at the pictures carefully. Write the name of each sport below each image.

				
				

B. Read the messages below. Guess what sport each person practices. Use a dictionary if it is necessary.

 Hi everyone. I'm George and I love jumping, running, and scoring. I'm the captain of my team. Sometimes I assist my four other mates in the matches.	 I'm Mudita. I come from India. My sport is played in pairs or individually. You win if you score 21 points. I need to run, jump, and hit the shuttlecock during all the matches.

 What's up, guys? I train hard in the track. Wearing light shoes is important in my sport. People love my competitions because they can last seconds.	 Hello. It's Mauricio. I'm not tall, but I am strong and strategical. I practice a contact sport, but I don't wear a helmet. I have fun when I run with the ball and score.
