

Vocabulary Ex. > Team & Individual Sports

A. Look at the pictures carefully. Write the name of each sport below each image.

B. Read the messages below. Guess what sport each person practices. Use a dictionary if it is necessary.

	<p>Hi everyone. I'm George and I love jumping, running, and scoring. I'm the captain of my team. Sometimes I assist my four other mates in the matches.</p>		<p>I'm Mudita. I come from India. My sport is played in pairs or individually. You win if you score 21 points. I need to run, jump, and hit the shuttlecock during all the matches.</p>
(1)		(2)	
	<p>What's up, guys? I train hard in the track. Wearing light shoes is important in my sport. People love my competitions because they can last seconds.</p>		<p>Hello. It's Mauricio. I'm not tall, but I am strong and strategical. I practice a contact sport, but I don't wear a helmet. I have fun when I run with the ball and score.</p>

LIVEWORKSHEETS

C. Match the name of each sport with its corresponding item(s) (equipment). There is ONE example for you.

D. Complete the chart below using the vocabulary from the previous exercise. Some sports names can be used more than once.
