RIDDLES TIME

1. *I can measure how tall you grow, or how long a river flows. What am I?*

2. *When you want to open a door, you might do this, but not push it. What is it?*

3. *You walk on me every day, and I am where the trees stay. What am I?*

4. *Lumberjacks do this to a tree, to make wood for you and me. What is it?*

5. *I am very big and tall, like a mountain in a storybook tale. What am I?*
