

# "Rescue me"

by OneRepublic

[Chorus] Would you rescue me? Would you  
\_\_\_\_\_?

Would you take my call when I start to crack?

Would you rescue me?

Would you rescue me?

Would you rescue me \_\_\_\_\_?

When I need your love, if \_\_\_\_\_

Would you rescue me?

Would you rescue me?

We don't talk much, \_\_\_\_\_

Broken bottles and slammin' doors

But we still \_\_\_\_\_

Say we care about each other

I know life \_\_\_\_\_

But I still dream 'bout the good old days

When we took care of each other

We were \_\_\_\_\_

But I start to wonder, wonder

If I'm slipping under, under

[Chorus]

Yeah, I miss all \_\_\_\_\_

Can't forget what you can't get back

And you can't find

Man, time, it ain't your lover

I don't care what you thought before

I'll be there \_\_\_\_\_

Don't you ever call another

No need to call another

And I start to wonder, wonder

If I'm slipping under, under

[Chorus]
