

# The bird who said 'thank you'

My friends and I were in the park. Suddenly, we heard a very unusual sound. We looked up into a tree and saw a big colorful bird. It was weak and unhappy. Its feathers were untidy. We thought it wanted food. We put some water on a spoon and some cheese on a plate and put it under the tree. After a few minutes, it shook its feathers, squawked (maybe to say 'thank you'), and flew away.
