A hobby is a regular activity that is done for enjoyment, typically during one's leisure time. Hobbies can include collecting themed items and objects, engaging in creative and artistic pursuits, playing sports, or pursuing other amusements. By continually participating in a particular hobby, one can acquire substantial skill and knowledge in that area. Hobby is something that a person develops from childhood, more specifically during primary school, to late life. We can never predict when we develop interests in new things and have a likeness towards it.

In this busy daily schedule, we all get so busy in our life routine that sometimes we forget to give out time for our hobbies. Indulging in a hobby is actually good for a sound health. We all need a time of leisure for ourselves and that particular time is when we like to do something that gives us immense happiness.
