

The bird who said “thank you“

My friends and I were in the park. We were celebrating Lama's birthday and we were having a picnic. Suddenly, we heard a very unusual sound. We looked up into a tree and saw a big colorful bird. We thought it wanted food. We put some water on a spoon and some cheese on a plate and put it under the tree. It ate the cheese in three big bites. We took some pictures because we wanted to show our friends in school. The bird gave a big 'squawk' and flew away.
