

## OMEGA ELECTRONICS COMES OUT WITH NEW GALAXY

Two years ago, Omega launched \_\_\_\_ Omega Star mobile phone. Now, our designers have developed \_\_\_\_ even better phone. We are pleased to announce \_\_\_\_ arrival of the Omega Galaxy. \_\_\_\_ Galaxy is manufactured solely for use by TeleCom Wireless customers. Omega is proud to partner with the nation's leading mobile service provider.

\_\_\_\_ Galaxy comes with all the amazing features that the Star does. But it has \_\_\_\_ longer battery life and brighter display screen. It has been assembled to Omega's quality standards. Benefits of \_\_\_\_ Galaxy include \_\_\_\_ more user-friendly touch screen and higher speed Internet capabilities. For customers who prefer a simpler phone, \_\_\_\_ Star will remain available for purchase.

\_\_\_\_ Galaxy will be shipped from our factories this week. Then, they will be distributed by TeleCom Wireless to their stores across the country. \_\_\_\_ phone will be available for purchase in TeleCom stores on May 13.
