**Questions 172-175** refer to the following online chat discussion.

**Sidney Lee [11:25 A.M.]**

The grand opening of our company's newly constructed manufacturing plant will take place this Friday, August 10. Mr. Finch wants three people from our team to be in attendance, so we need to figure out which of the four of us will stay behind.

**Charlotte Mackenzie [11:27 A.M.]**

Mr. Finch's memo said there will be five special guests, so we can all go as well as invite someone from another team, perhaps the head of marketing.

**Nakula Goyal [11:28 A.M.]**

You're right that there will be five people in total, but the memo said that Mr. Finch plans to be there himself and that CEO Gaia Tieben is going along as well in order to give a brief speech.

**Charlotte Mackenzie [11:29 A.M.]**

Oh, I must have missed that.

**Min Cheng [11:31 A.M.]**

I'm interested in seeing the new state-of-the-art equipment that will be used at the plant, but I'll volunteer to be the one who doesn't go. I can't go, really—I've got an employee evaluation report due soon.

**Sidney Lee [11:32 A.M.]**

All right. That works out perfectly. Mr. Finch and Ms. Tieben will travel to the site on their own because they're leaving for a business trip directly from the site.

Charlotte, Nakula, what would you prefer to do about transportation?

**Nakula Goyal [11:33 A.M.]**

Let's meet at the office and then carpool there.

**Charlotte Mackenzie [11:34 A.M.]**

Good idea. I think it's about a two-hour drive, so it could be boring on our own.

**Min Cheng [11:35 A.M.]**

Have a great time! Let me know how it was

Sincerely,

### **Laredo Community Festival Returns**

LAREDO (May 5)—The Laredo Community Festival (LCF), which has been glowing in popularity, is scheduled to return this summer, from June 27 to June 28 at Roland Park. In addition to the usual booths from local restaurants and retail businesses, this year there will be a section for charities to raise money and promote their work.

Event planner Anita Gutierrez confirmed that feedback from Laredo residents **prompted** the change. "This is an opportunity for us to support the less fortunate members of our community," said Ms. Gutierrez, who will take photos during the opening ceremony and speak at the start of the *Laredo Live* episode being filmed at the festival.

Registration for all booths runs until June 1, and a number of groups have already signed up. One is Coffee-B, a charity devoted to supporting low-income people in coffee-growing regions. Along with its signature coffee drinks, Coffee-B has created a special drink—an espresso topped with honeycomb— that will be sold exclusively at its LCF booth.

**Laredo Community Festival Special Events**  
**Saturday, June 27**

### Get Buzzing with Coffee-B!

Coffee-B is a charity that teaches people in coffee-growing regions how to raise bees as a source of income. Bees, which pollinate coffee flowers, are the perfect complement to coffee. The honey and wax they produce create a steady source of income for beekeepers in a way that doesn't require land ownership.

Check out our booth at the Laredo Community Festival at Roland Park. We'll be raising money by selling the Honey Dream, a coffee-flavored milkshake with a twist of honey; the Sweet Shot, a freshly-brewed espresso with real honeycomb on top; the Buzzy Bomb, a double espresso with cinnamon and beeswax stirring stick; and the Caffeine Cooler, an iced coffee that can be infused with a variety of flavored syrups.

## Viva Botanical Gardens Customer Feedback

☐ Previous Posts

**Posted Today**

As an avid gardener, I was looking forward to seeing the wide variety of flowers and plants at Viva Botanical Gardens. The admission fee is quite reasonable, as you can spend an entire day exploring the exhibits. However, it is a challenge to reach the gardens from the city center. There are no public buses or trains, and the taxi fares are very expensive. I spoke to the manager, who was very friendly, and suggested that he hire a transportation service that was used by another tourist site I had gone to earlier in my trip. I hope he takes this advice into consideration.

—Christina Saunders, July 18

I'm not sure that I would recommend this attraction to others. The admission fee is very expensive, and it's hard to get there unless you have your own car. Very inconvenient! Next time, I'll skip this site and visit the Amherst Nature Reserve instead.
