PAPER I – READING /10

1.Read and answer true or false /6

Emma and Jack 

Emma lives in a small town by the sea. She loves the sound of the waves and enjoys watching the sunset every evening. Right now, she is sitting on the beach, and she is listening to the seagulls. Jack, her brother, is playing with their dog, Max, who is chasing a ball.

Emma feels that the beach is the most peaceful place in the world. She thinks it's more beautiful than the park, especially during sunset. Emma believes that the sea is the best place to relax, while Jack prefers the mountains because they are quieter.

Every day, Emma and Jack do their chores before they can go out to play. Emma usually clears the table after meals, and Jack takes out the rubbish. Today, however, Jack is helping Emma because they want to finish quickly. Emma is setting the table while Jack is putting away the clothes.

Their mother is cooking dinner, and the delicious smell is making Emma hungry. She thinks her mom's cooking is the tastiest in the family. Their dad is watering the plants, and he believes the garden is the most beautiful part of their home.

Emma knows that summer is her favorite season because she can spend more time at the beach. She is planning to invite her friends over next weekend. They are going to have a picnic, and Emma hopes the weather will be sunny.
