

Here We Go

(Official Song 2020 IIHF Ice Hockey World Championship)

Bastian Baker Yves Larock

Match:

lose	сожалеть
regret	блестать
reach	проигрывать
honest	честный
swear	жертвовать
shine	верить
make it to the top	воин
sacrifice	надежда
warrior	достигать вершины
trust	клясться
hope	добраться

Choose the correct word

It's not like a regret
 secret
 sicker

And I'll be honest
 alone
 at home

I'm not here to lose
 love
 choose

or to regret

Yeah, they might have been better
But this is a new dance
 chance
 change

It's my time to shine and be the rest
 gest
 best

I look up high,
I swear I'll try And I know I am god
 good
 guard enough

Keep working hard reaching for stars
 stairs
 us

Until I make it to the top

Here we go, ooh

Never lost
 lose
 last

let's start the show

Here we go, ooh
Never lose, let's start the show

And as we get closer
loser
older

To the dream of a lifetime
I see stars in your eyes, do you see my
shine
mine?

A just a few seconds
And we'll be legends
Think of all the things we sacrificed

I look up high, I swear I'll try
mine
dry

And I know I am good enough
Keep working hard reaching for stars
Until I make it to the top

Here we go, ooh
Never lose, let's start the show
Here we go, ooh
Never lose, let's start the show

If you wanted me to be a hero
here
near

Here's the time you're finally gonna see how
I'm not a loser,
I'm just a warrior

Never lose, let's start the show
Never lose, let's start the show
Never lose, let's start the show

And if you think we're done
gone
gang

That the smallest hope is gone
You gotta show you're wild, trust in you
We'll shine upon the world when our dreams come too
true
through

Here we go, ooh
Never lose, let's start the show
Here we go, ooh
Never lose, let's start the show

If you wanted me to be a hero
Here's the time you're finally gonna see how
I'm not a loser, I'm just a warrior

Never lose, let's start the show
Never lose, let's start the show
Never lose, let's start the show
