

Name: _____

Instruction: choose the correct form of the verb from the options given.

Castle on the hill by Ed Sheeran

[Verse 1]

When I was six years old, I **(break, broke, broken)** my leg
I was runnin' from my brother and his friends
And **(taste, tasted)** the sweet perfume of the mountain grass I rolled down
I was younger then, take me back to when I

[Pre-Chorus]

Found my heart and **(break, broke, broken)** it here
(Make, made) friends and **(lose, lost)** them through the years
And I've not seen the roaring fields in so long, I know I've grown
But I can't wait to go home

[Chorus]

I'm on my way
Drivin' at ninety down those country lanes
Singin' to "Tiny Dancer"
And I miss the way you make me feel and it's real
We **(Watch, watched)** the sunset over the castle on the hill

[Verse 2]

Fifteen years old and smoking hand-rolled cigarettes
Runnin' from the law through the backfields and gettin' drunk with my friends
Had my first kiss on a Friday night, I don't reckon that I did it right
But I was younger then, take me back to when

[Pre-Chorus]

We **(find, found)** weekend jobs, when we **(get, got)** paid
We'd buy cheap spirits and drink them straight
Me and my friends have not thrown up in so long, oh, how we've grown
But I can't wait to go home

[Chorus]

I'm on my way

Drivin' at ninety down those country lanes

Singin' to "Tiny Dancer"

And I miss the way you make me feel and it's real

We (watch, watched) the sunset over the castle on the hill

Over the castle on the hill

Over the castle on the hill

[Bridge]

One friend (leave, left) to sell clothes

One works down by the coast

One (have, had) two kids but lives alone

One's brother overdosed

One's already on his second wife

One's just barely gettin' by

But these people (raise, raised) me

And I can't wait to go home

[Chorus]

And I'm on my way, I still remember

These old country lanes

When we (do not / did not) know the answers

And I miss the way you make me feel and it's real

We (watch, watched) the sunset over the castle on the hill

Over the castle on the hill

Over the castle on the hill
