What's the time? Seems it's already .....

I see the sky, it's so ..... and blue

The TV's on, but the only thing showing is a ..... of you

Oh, I get up and make myself some .....

I try to ..... a bit but the story's too thin

I thank the Lord above

You're not here to ..... me in this shape I'm in

Spending my time

Watching the .....go by

Feeling so .....

I stare at the wall

Hoping that you

*****.....of me too*****

I'm spending my time

I try to call, but I don't know what to ..... you

I leave a kiss on your answering .....

Oh, help me please

Is there someone who can ..... me wake up from this dream?

Watching the..... go down

I fall ..... to the sound of tears of the clown

Prayer gone blind

My friends ..... telling me, "Hey, life will go on"

Time will make sure I'll get over you

This silly game of .....you play, you win only to lose

I can't ..... without your love

The bed is too .....without you honey, honey?
