Sunny cafes with coffee and cream

Pack your bags fast – we're going there at last.

We're gonna ..... the summer far away from school.

We're going on vacation. It'll be so cool.

We'll ..... the plane tomorrow. I just can't wait to go

And once we get to New Orleans we won't want to ..... home.

Where are the flowers? Where are the trees?

Where are the boats that ..... down to the sea?

Where is the music and the warm summer breeze?

Come to New Orleans please.

We can catch a steamboat, we can ..... in the sun

Down by the Mississippi we'll be ..... so much fun

There's singing and there's laughing, there's excitement everywhere
