C Read and complete.

Niko's School Timetable

Niko is from Japan. His school day starts at 8:30 a.m. and finishes at 3:45 p.m. On Mondays, he has math and science in the morning. His math class starts at 8:45 a.m. His science class starts at 9:40 a.m. On Tuesdays, his geography class starts at 10:35 a.m. After that, he has art class at 11:30 a.m. At school, Niko usually has lunch at 12:15 p.m., and then he often has music class or does an outdoor activity at 1 p.m.

1. Niko's school day finishes at 3:45 (p.m.) / a quarter to four in the afternoon.
2. Niko has _____ and science on Monday mornings.
3. On Tuesdays, his geography class starts at _____.
4. Niko has _____ class after his geography class.
5. He usually has lunch at _____ in the afternoon.
