Learning Knowledge Practice Document (LKPD)

Name :

Class :

Day/date :

Lesson : English

Objective:
Students will be able to identify and discuss various school subjects in English, understand their importance, and relate them to their future goals.

Activity 1: Vocabulary Building

Instructions:
Fill in the table below with the correct school subject based on the description provided.

LIVEWORKSHEETS

Description	School Subject
The study of numbers, shapes, and patterns.	
The study of the natural world and its phenomena.	
The study of past events and societies.	
The study of human societies and	

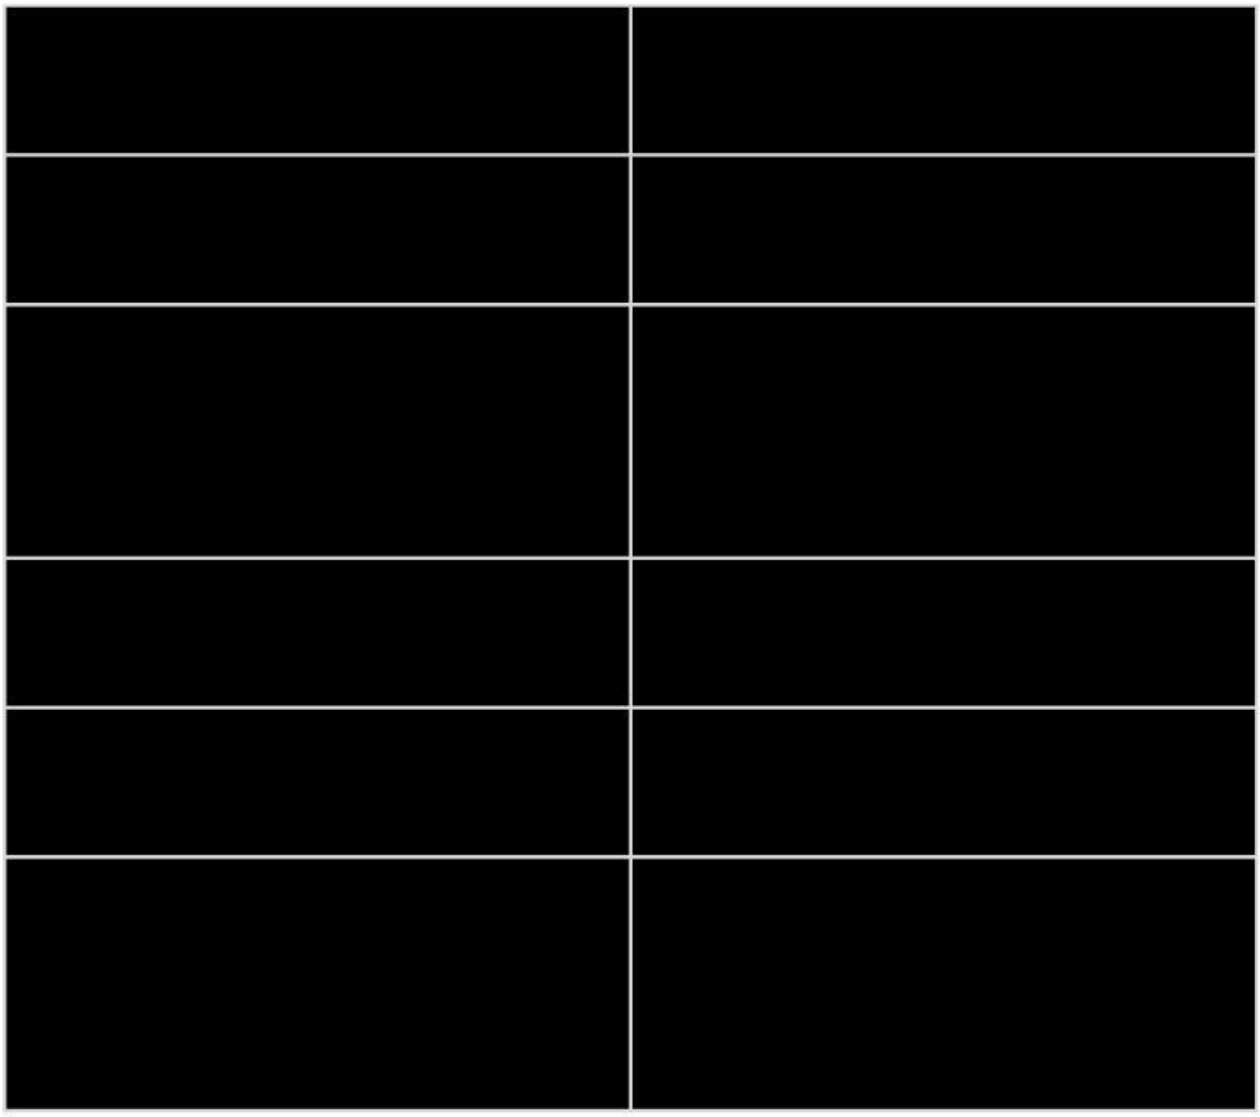

LIVEWORKSHEETS

social relationships.	
The study of physical fitness and sports activities.	

Activity 2: Matching Subjects to Future Careers

Instructions:
Match each school subject to the most relevant career path. Write the letter of the career path next to the corresponding school subject.

Activity 3: Discussion Questions

Instructions:
In groups, discuss the following questions. Each group will present their answers to the class.

1. Which school subject do you find most interesting and why?
2. How do you think learning different school subjects can help you in your future career?
3. Are there any subjects that you think should be added to or removed from the school curriculum? Explain your reasoning.

Activity 4: Creative Writing

Instructions:
Write a short essay (150-200 words) on the topic: "The Importance of Learning Various School

LIVEWORKSHEETS

Subjects." Be sure to discuss how different subjects contribute to a well-rounded education and how they might be useful in real life.

Assessment:

- Vocabulary Table: 10 points
- Matching: 10 points
- Participation in Discussion: 10 points
- Creative Writing: 20 points

Total: 50 points

Rubric:

- **Vocabulary Table:** 2 points per correct answer
- **Matching:** 2 points per correct match
- **Participation in Discussion:** Active participation and thoughtful contributions
- **Creative Writing:** Clarity, relevance, grammar, and creativity

---

Note to Teachers:
Feel free to modify the activities and questions to better suit your class's needs and proficiency levels.
