

## Let's learn

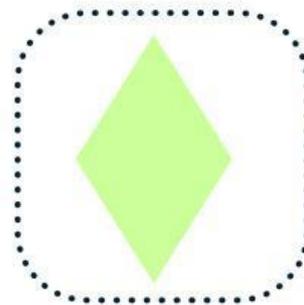

- Say it out

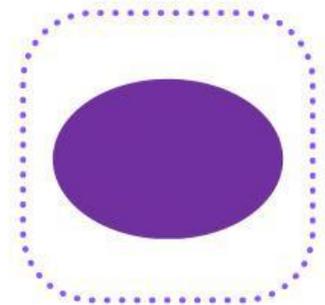

star

heart

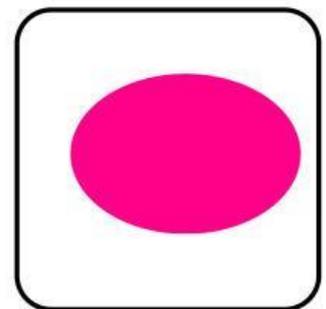

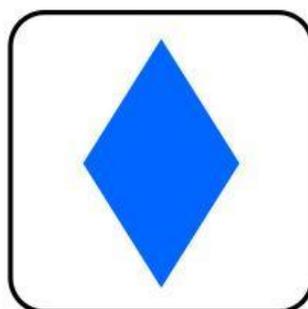

diamond

oval

- Talk about

What color is the star? The star is yellow.

## Let's do

- Look and color

Three rows of shapes for coloring, each enclosed in a dashed orange border:

- Row 1: Five stars. The first four are colored (yellow, blue, yellow, blue), and the fifth is a white outline.
- Row 2: Five hearts. The first four are colored (red, orange, red, orange), and the fifth is a white outline.
- Row 3: Five shapes. The first four are colored (purple oval, green diamond, purple oval, green diamond), and the fifth is a white outline of an oval.

- Listen and circle

Two listening and coloring exercises:

- Exercise 1: A speech bubble contains the text "It's a green diamond." Below it are three shapes: a pink oval, a green diamond, and an orange heart.
- Exercise 2: A speech bubble contains the text "It's an orange star." Below it are three stars: a yellow star, a blue star, and an orange star.
