Hobbies with a difference!

Meet three teens who have interesting but unusual hobbies.

Amy Johnson loves art and fashion, and she combines these in her hobby of 'nail art' – painting her nails in her room, using different colours and designs. She's so good at it

that her friends ask her to paint their nails. Some friends even give her some money. She hopes to have her own nail art shop in the future.

Brett Carter's hobby doesn't cost any money and helps a lot of people in the area where he lives. He visits old people who live alone and talks to them.

He often helps them by going shopping with them and carrying their heavy shopping bags. Sometimes people give him cakes to say thank you!

Larry Spencer loves dancing, but he doesn't dance to pop music. He goes to a dance class every Friday and practises traditional Irish dancing. His

uncle is a dancer in a famous group, and Larry often watches him dance. He wants more people to do Irish dancing, not only because it's fun but also because it's a good way to keep fit.
