I’m……and I’m from VN. We have many festivals and holidays in VN, but my favorite holiday is Lunar New Year. It’s usually in january or february, and I don’t go to school for 2 weeks. Before tet ,we often clean our houses ,put up red papers and make Chung Cake. On Lunar New Year, every one wears new clothes and get lucky money from their parents and grandparents. Kids also watch firework and lion dance and eat lots of cookies or candy. Lunar New Year is a lot of fun.
