A. galaxy                      B. atmosphere                      C. universe                      D. outer space
5. \_\_\_\_\_ is named after the Roman God of war.  
A. Uranus                      B. Jupiter                      C. Mars                      D. Venus
6. A(n) \_\_\_\_\_ is a scientist who studies the stars and planets.  
A. captain                      B. alien                      C. astronaut                      D. astronomer
7. Astronauts \_\_\_\_\_ around in space because there is no gravity in space.  
A. fly                      B. float                      C. walk                      D. trace
8. In a weightless environment, everything floats \_\_\_\_\_.  
A. uncontrollably                      B. downwards                      C. smoothly                      D. constantly
9. On June 2<sup>nd</sup>, 1966, Surveyor 1 became the first U.S. \_\_\_\_\_ to land on the moon.  
A. flying saucer                      B. airplane                      C. spacecraft                      D. helicopter
10. Mars is the most \_\_\_\_\_ planet in our Solar System besides Earth.  
A. powerful                      B. notable                      C. appropriate                      D. habitable

**Exercise 5. Circle the correct answers.**

1. Interviewing applicants for an important job can be a very time- \_\_\_\_\_ process but it’s worth in the end.  
A. lasting                      B. developing                      C. consuming                      D. taking
2. Before you start applying for any job, you must be absolutely sure you have the right paper \_\_\_\_\_.  
A. qualities                      B. qualifiers                      C. qualifying                      D. qualifications

3. His invention showed that he understood what was going to happen in the future and proved he was \_\_\_\_\_ of his time.  
A. in front                  B. before                  C. ahead                  D. forward
4. You have a ticket to the game, \_\_\_\_\_?  
A. do you                  B. haven't you                  C. don't you                  D. have you
5. Kumar asked me a question but I don't know what \_\_\_\_\_.  
A. is the answer                  B. was the answer  
C. the answer is                  D. the answer was

**Exercise 6. Circle the correct answers.**

1. Tourist: "Where is the post office?"  
A tourist asked me where \_\_\_\_\_.  
A. the post office has                  B. the post office was  
C. is the post office                  D. was the post office
2. Mom: "It's 2 a.m.; what are you doing in the kitchen?"  
Mom wanted to know what \_\_\_\_\_ in.  
A. was I doing                  B. I do                  C. I was doing                  D. am I doing
3. Dad: "Why did you come home so late last night?"  
Dad wanted to know \_\_\_\_\_ home very late the night before.  
A. why did I come                  B. if I come                  C. if I came                  D. why I had come
