

GRAMMAR

I. Look and read. (page 51)

Present perfect with *How long?*, *for* and *since*

For e.g.

How long have you been a dentist?

I've been a dentist for 50 years.

No one has complained since 1975.

Look!

for

for + a period of time:

for 12 years

for an hour

for three weeks

for a long time

since

since + an exact moment in the past

since 2001

since Tuesday

since four o'clock

since I left university

Write questions with *How long...?* Complete the answers with *for* or *since*. (page 51)
