### Advanced Comparatives (Language Hub Advanced)

Choose the correct options to complete the sentences.

I agree with what you say about popular music and originality. But we need to remember that musicians and producers need to attract the listener's attention **as quickly as / quicker than** possible. Sometimes, this involves producing unusual, trendsetting music, but since listeners don't always react well to **dramatically / marginally** different styles – at least not at first – it is sometimes safer to work within the boundaries of the **later / latest** trends.

Complete the comparative phrases.

My sister is a great \_\_\_\_\_ more concerned about appearance than I am.

A tailored jacket is \_\_\_\_\_ and away the most important item in clothing in your wardrobe.

In my opinion, having the right image is every \_\_\_\_\_ as important as saying the right thing.
