I often find myself lost in a book, my **vision** filled with distant lands. Each

story is a **treasure**. With every **measure** of the text, I experience both

pleasure and **leisure**. Sometimes, the plot feels like a **mirage**, shifting

before my eyes. The **genre** can be a mystery or romance; each **conclusion**

is a satisfying **explosion** of emotions. My decision to read is never

regretted. On one **occasion**, I felt a **fusion** of joy and **confusion**, as if

reality blurred with fiction. This **version** of me cherishes the **erosion** of

daily stress through reading.
