

My whole world changed from the (1) I met you

And it would never be the same

Felt like I knew that I'd always (2) you

From the moment I (3) your name

Everything was (4), I knew this love is worth it

Our own miracle in the makin'

'Til the (5) stops turning

I'll still be here (6) and waiting to make that vow that I'll...

I'll be by your side, 'til the day I die

I'll be waiting 'til hear you say I Do

Something (7), something new

Something borrowed, something (8)

I'll be waiting 'til I hear you say I Do

Smiles by the thousands, ya tears have all dried out

'Cos I won't see you (9) again

Throw pennies in the fountain, and look at what comes out

Sometimes wishes do come (10)
