

Island destinations with a difference

TASK:

Mark the following statements *T* (true) or *F* (false). **CHECK**

1 Tashirojima Island off the east coast of Japan has only 100 stray cats.

T

F

2 They also call this small island Cat Island.

T

F

3 In the 19th century, the cats destroyed the silkworm farms.

T

F

4 Socotra Island has had no connection to a continent for around 18 million years.

T

F

5 Most of the island's plant species are only found on Socotra.

T

F

6 Getting to Socotra is not easy.
