**Pet B1 Succeed - Test 1 - Part 5 - Question 21-26.**

For each question, choose the correct answer.

**"Ask your pharmacist first"**

When you have so many (21)..... to do at school, and even some homework back at home, the last thing you want is a(n) (22)..... throat or a headache to drag you down.

"Prevention is better than cure" is what most people say, meaning that it is always best to try not to get sick than to find ways to get better when you do. But what happens when you haven't (23)..... yourself for the winter? At some point in autumn you'll start feeling down and that's when you should remember that a visit to your (24)..... pharmacy can be a real bonus in helping you get well soon.

But it's not just the medication that assists the cure - only at a pharmacy will you find expert (25)..... from a highly trained health professional. Your pharmacist will gladly (26)..... what he believes is best for you. So, by working together, you can be sure that your medications are taken safely and effectively to maintain your good health.
