

Beautiful Things Song by Benson Boone

Drag the words in the box to the correct space

Night - better - take away - family - cold - love - terrified - loose you -
my way - feeling - every day

For a while there, it was rough
But lately, I've been doin'

Than the last fourDecembers
I recall
And I see myevery month
I found a girl my parents

She'll come and stay the.....
And I think I might have it all
And I thank God

For the girl He sent

But I know the things He gives me
He can

And I hold you every night
And that's a I wanna get used to
But there's no man as

As the man who stands to lose you
Oh, I hope I don't

Mm

CHORUS Please stay
I want you, I need you, oh God
Don't take
These beautiful things that I've got
Please stay
I want you, I need you, oh God
Don't take
These beautiful things that I've got
Oh-oh-oh-oh
Ooh
Please don't take

Match the lines on the left to the following line in the right column

I found my mind, 1
It's been a while, but 2
If everything's good and it's great 3
Oh, I'll tell ya, I know I've got enough 4
But I'm up at night thinkin' 5

I just might lose it all
Why do I sit and wait 'til it's gone?
I'm finding my faith
I've got peace and I've got love
I'm feelin' sane
