

## Suliko (soul) (COMPLETE THE SONG WITH MISSING WORDS)

I was looking for sweetheart's ,  
But I couldn't it, it was lost.

I cried my heart out:

"Where are you, my Suliko?!"

I noticed among thorns,  
Which was blossoming there .  
With excitement I asked:  
"Are you my Suliko?!"

Nightingale was silently  
Hiding in the  
I inquired with soft :  
"Aren't you my Suliko?!"

floundered,  
And touched her to the flower,  
Twittered and groaned,  
As if She said: "Yes, I am!"

I was looking for sweetheart's grave  
But I couldn't find, It was lost.  
I cried my heart out:  
"where are you, my Suliko"?
