1 I go to dance lessons with some close friends of mine. The teacher wants me to go into a higher level group, but she says my friends have to stay in the lower level. I'm worried about moving to a new class without them. I'll really miss seeing them! What should I do?

2 I am home-schooled and I don't spend much time with people my age. I am friends with some of my neighbours, and I have old friends from primary school, but they often forget to invite me when they go out.

3 My best friend won't stop copying me! I love wearing bright clothes and looking different from everyone else. But last month my friend started buying all the same things as me. Now we look exactly the same as each other!
