

UNIT 3: COMMUNITY SERVICE

Skills 1

Exercise 1: Read the passage and decide whether the statements are TRUE or FALSE.

Community service is work that a person or a group of people does to give benefits to others. You do not get paid to perform community service, but volunteer your time. Community service can help many different groups of people: street children, disabled people, even animals and the environment. Community service is often organised by local groups, schools, universities, or non-profit organisations. You can start your own community service projects. Many people participate in community service because they enjoy helping others and improving their community.

There are numerous benefits to participating in community service, both for yourself and others. Community service gives you a way to help others, helps improve your community, and helps you to be sociable and to meet new friends. Moreover, it gives you a way to gain work experience and learn more about certain jobs. There are hundreds of ways to participate in community service, depending on your skills, your interests, and your free time.
