

A Short Communicative Message

Read the email from your friend, Shanti.

Hi,

Holidays will begin next week. I'm thinking of taking up a useful activity. I have three activities in my mind. They are swimming, photography and baking. Which activity do you think I should do and why? Will it be able to help me in the future? Do let me know your opinion.

Shanti

In about **80 words**, write an email to Shanti suggesting your choice of activity.
