Chapter 34

Time

A clock tells us time. Time is very precious for us. If we lost the time, we lost everything.

In the clock shown, the hour hand is at 3 and the minute hand is at 12. So, we can say that the time is 3 o'clock or 3:00.

Given below is the daily routine of Romy. Fill in the blanks with the times shown here.

1. He gets up at _____.

2. He takes his breakfast at _____.

3. He goes to school at _____.

4. He comes back home from school at _____.

5. He plays at _____.

6. He does his homework at _____.

7. He takes his dinner at _____.

Think Fast

1. The face of the clock is called _____.
2. Most of the clocks have _____ hands.
3. The shorter hand is called the _____ hand.
4. The longer hand is called the _____ hand.
